Hiring process

Note

- If selected, you will join as a fresher as no prior work experience will be considered.

Eligibility criteria

Academic credentials

- Students graduating in 2026 with B.E/B. Tech/M.E/M. Tech degrees. Relevant experience in AI-enabled full stack development will be an added advantage.
- Students should possess consistent academic record with minimum 60% in X, XII, Diploma and UG.
- Appropriate CGPA to % conversion to be considered as per university norms.
- Students with standing arrears are NOT eligible to apply.
- Flexibility to work from any Cognizant office location in a given shift timing and technology is mandatory.
- Open to Indian nationals / OCIs who are currently residing in India.

Note

- Only one attempt is given for all assessments.
- Students to choose skill preference one & skill preference two for technical assessment at the time of registration from the below skill clusters
 - Cluster 1 – DSA using Java/ Python/ DotNet, Angular, Prompt Engg., RAG, Gen AI, Cloud, Agentic AI
 - Cluster 2 – DSA using Java / Python/ DotNet, React, Prompt Engg., RAG, Gen AI, Cloud, Agentic AI
- Final decision of mapping skill cluster for technical assessment will be at sole discretion of Cognizant.
- Student mapping to Associate FS AI Engineer or Senior Associate FS AI Engineer Interview process will be based on performance in the assessments. If a student mapped to Senior associate level interview, does not get selected, then Associate level fitment will be checked in the same interview.
- Interviews will be conducted in-person and students are required to visit the Cognizant office / nodal college for their interview round. Final decision of mapping roles will be based on interview performance and will be at the sole discretion of Cognizant.
- Selected students will be onboarded as Full Time Employee (FTE) post successful completion of engineering degree.
- **Students' existing offer with Cognizant will remain valid even if they do not appear for the Ace team hiring process or are eliminated at any stage of the hiring process.**

Guidelines

Mandatory documents for registration

- Resume, attached with latest passport size photograph.
- Industry accredited certificates if available.

Mandatory documents for interview

- All academic documents including the college ID card, X, XII, Diploma, UG & PG marksheets.

Mandatory documents for onboarding

- PAN card - In the event that a PAN card is not available, please apply for one as it is a mandatory requirement for onboarding. Ensure that your last name, father's name, and other details are accurate. Note that background verification will fail if the last name is not updated or if the PAN card name does not match the registered name.
- Passport / Voter ID card is required for verifying nationality while joining Cognizant.

Important notes for registration

- The name of the student and DOB should exactly match the 10th marksheet and PAN card.
- Ensure student registration is done accurately, as it will be considered final and no changes will be encouraged later. In case any discrepancy is found in the name (refer to the naming convention matrix), scores uploaded, or educational documents provided, the profile will be disqualified.
- All communications are sent only to the registered mail ID in Superset. It must be a personal mail ID and shall be considered the primary email ID. This email ID should not be changed at any point during the hiring process or until Full-Time Employment (FTE) onboarding.
- All communications to students and TPOs will predominantly be through the Superset platform, and students can confirm their status on the platform.
- A provisional certificate or degree will be mandatory to join Cognizant.

Placement office information

- College placement officer needs to ensure that only those applicants who meet Cognizant eligibility criteria to appear for the placement process.

For any placement related queries, please reach out to your placement officer / coordinator and do not write to email ids mentioned in the disclaimer.

Disclaimer:

- In case of any queries related to hiring, interview schedules, or offer communication, kindly reach out to us at [Campus2Cognizant](#).
- Cognizant does not entertain payments of any kind from candidates or vendors for employment. Requests for such payments should be promptly reported to GenCHRComplianceIND@cognizant.com.
- If you encounter anyone who claims to offer jobs at Cognizant in return for any benefit (monetary or non-monetary), please do not entertain them. Please be informed that Cognizant shall not be held responsible for any such instances or payments you make.
- We recommend that you do not respond to spam emails/ messages you do not trust; never disclose your personal or financial details to anyone you do not know. If any such mails purporting to come from Cognizant are received, we advise you to contact us at GenCHRComplianceIND@cognizant.com.
- Cognizant takes its hiring practices seriously and appreciates you keeping the Company informed of any individuals posing as Cognizant employees who make false job offers using Cognizant's name. We remind you that while recruiting employees, Cognizant will only communicate with you through authentic Cognizant email addresses and Cognizant will never extend any job offers to anyone based on an online application without first conducting an in-person, video, or telephone interview through verified encrypted channels. If any such mails purporting to come from Cognizant are received, we advise you to contact us at GenCHRComplianceIND@cognizant.com.
- To ascertain that you are receiving a genuine call from Cognizant, please ensure to collect the recruiter's details (full name; official email ID, employee ID & mobile number) during the call.
